“IndiGNS is a group of Indian Geniuses”

- Dr. Kakarla Subba Rao,
*Chairman, Kakarla Subba Rao
Radiological and Imaging Educational
Sciences Trust (KREST)*

Who We Are?

IndiGNS is a Group of Companies engaged in providing software solutions and services to business problems of its clients across the Retail, BFSI, HealthCare, Pharmaceuticals, Medical, Telecom, Automobile, Webhosting and Web Solutions, Digital Marketing, Media, Real Estate, e-Commerce, Education, Literature, Defense, Space, Judiciary, Law and Order, All State and Central Government Departments, Transportation, Agriculture, Veterinary, Fisheries, Waqf, Archeology and Sports domains.

We strongly believe that our success depends on our client's success and is realized through establishing symbiotic partnership with them. Therefore, instead of just considering technology implementation as our goal, we focus on helping our clients to leverage technology to rapidly deliver their targeted business results.

What We Do?

Our execution approach is based on our delivery core principles - Plan, Build and Deliver.

We provide services ranging from Design and Development of Websites, Portals, Data Conversion, Data Migration, Project / Product Development, Maintenance, QA including Automation, Corporate Trainings using below engagement models:

- Time and Material (T&M)
- Fixed Price and Fixed Time (FP/FT)
- Staff Augmentation

All these engagements are realized using onsite, offshore, onsite-offshore teams as per client requirements.
